

What is REPSE?

REPSE is the Registry of Providers of Specialized Services or Specialized Works, published in May 2021 by the STPS.

REPSE

Registro de Prestadoras de Servicios Especializados u Obras Especializadas

If you want to know more about this registry you can consult the *Official Gazette of the Federation (DOF)*, *REPSE portal*, or the *Mexican Federal Labor Law (Articles 12, 13, 14 and 15)*.

Do you know if your provider complies with the outsourcing law reform in Mexico? You can check it!

Check the online icorp registry:

6 reasons to contract services from a provider with REPSE:

1. Your provider will be in charge of supporting you with the best qualified IT workers.
2. You will comply with the Federal Labor Law, mentioned in article 15. *Not doing so is against the law.*
3. Your provider will ensure that staff has the optimal conditions to perform their work.
4. The workers will have the benefits that the law offers, such as social security, etc.
5. You will avoid fines and penalties imposed on companies that subcontract or provide services without proper registration.
6. You will be able to deduct taxes from your invoices, among other benefits.
